

THE INSURANCE COMMISSION OF THE BAHAMAS

APPOINTMENT

The Insurance Commission of the Bahamas is pleased to announce the appointment of Mrs. Tamika S. Dean to the position of Manager of the Intermediaries and Market Conduct Unit.

Mrs. Dean brings over 15 years of combined insurance industry and regulatory experience to this position, having previously served as Analyst/Relationship Manager in the Supervision Department since joining the Commission in July, 2011. Her specific responsibilities will include oversight over the conduct of insurance intermediaries within the market, to ensure full compliance with prudential, regulatory and legislative requirements.

Mrs. Dean holds a Bachelor's Degree in Banking and Finance - Private Trust from the University of the Bahamas, a Diploma in Insurance from the Chartered Insurance Institute, London, England and is an Associate of the Bahamas Institute of Financial Services

Mrs. Dean serves as a member of the Commission's Consumer Education Committee and the Planning Committee for the Bahamas Insurance Association's Insurance Month activities. She has also worked on numerous team projects including the recent creation and implementation of the Commission's electronic quarterly online reporting application.

Tamika is married to Mr. Jhamal Dean, and is the proud mother on their son Jhamal-Carter.
